Let the countdown begin. With only 24 shopping days to go until Christmas, we will feature a gift under \$24 each day from Monday to Saturday in the Living section. Start checking off your list:

Gift No. 1

What better way to start off this special gift guide than with a quintessentially Canadian-themed gift?

This hand-poured beeswax and vegetable wax candle – with a faint scent of maple sugar – is contained in a retro-looking maple syrup tin that should conjure up memories of Christmases past. Makes for a great hostess gift.

Scented candle, \$15, Drake Hotel General Store, 1144 Queen St. W.
