WHERE TO STAY

[The Drake Hotel](#). Part hotel, part exhibition space, part cafe and restaurant, The Drake is the coolest hotel to stay at, in our opinion. Located on Queen Street West, it's partly a hotel, but also features an art exhibition space, [The Drake General Store](#) (for designy tchotchkes and independent clothing labels), and several places to grab a bite and a drink. The rooms are funky and modern in decor and interior design, a plus if you like to stay away from uptight hotels like I do.
